WELCOME MESSAGE

Dear colleagues,

On behalf of EORNA, the Scientific Committee, and the Local Organizing Committee, we are delighted to welcome you to the 12th EORNA (European Perioperative Nurses Association) Congress taking place from 14 to 16 May 2026.

Since the first congress in 1997, EORNA has hosted congresses for its members and the international perioperative nursing community. Furthermore, our congresses have always been internationally recognized among experts in the field.

The theme for this Congress is **"The Synergy of Expertise and Knowledge"**. It highlights the power of combining the specialized skills and experiences of perioperative nurses with the latest evidence-based knowledge. This synergy enhances patient care, improves surgical outcomes, promotes sustainability, and fosters a collaborative environment, where continuous learning and professional development are prioritized.

The 12th EORNA Congress will be held in the beautiful city of Dubrovnik, Croatia, at the Hotel Sheraton. Despite its geographic isolation due to Bosnia and Herzegovina's short coastline near Neum, Dubrovnik, often called the "Pearl of the Adriatic" is well-connected by land, sea and air. The newly built Pelješac Bridge now offers a direct road link between Dubrovnik and the rest of Croatia. The city is also easily accessible via Dubrovnik's international airport, Ruđer Bošković.

Dubrovnik's Old Town has been a UNESCO World Heritage since 1979, recognized for its well-preserved medieval architecture and historical significance. Some must-visit landmarks include:

- The City of Walls - Massive stone fortifications dating back to the 10th century
- The Stradun - Dubrovnik's vibrant main street and social hub
- The Cable Car - A scenic ride to Mount Srđ, offering breathtaking panoramic views of the city and surrounding islands
- Dubrovnik Cathedral - A stunning Baroque masterpiece housing priceless religious treasures, including works by Titian and relics of Saint Blaise, the city's patron saint
- Lokrum Island - A lush nature escape with botanical garden, a Benedictine monastery, and a small saltwater lake called the "Dead Sea."

Dubrovnik's cuisine blends Mediterranean and Dalmatian flavors, featuring fresh seafood, olive oil, and aromatic local herbs. Don't miss the chance to try traditional Dubrovnik desserts and world-renowned local wines while soaking in the city's unique historic charm.

The Board of Directors of the Croatian Operating Room Nurses Association (HDOS- CORNA), warmly welcomes EORNA, its member Associations, and all attendees. We look forward to greeting you in Dubrovnik with open arms.

The Scientific Committee has curated an engaging scientific program featuring thought-provoking presentations, dynamic workshops, and networking opportunities with fellow professionals, who share your passion for advancing perioperative care. We have created a program, that not only highlights the latest advancements in our field but also promotes learning, professional growth and environmental sustainability.

Alongside the congress, an outstanding exhibition will showcase the latest innovations, cutting-edge technologies, and advanced medical devices, offering valuable insights into the future of perioperative nursing.

We are confident that this congress will equip you with valuable insights, innovative ideas, and practical skills to enhance your daily practice.

Together, we will harness our collective expertise to advance perioperative nursing standards, with patient safety at the forefront

Thank you for your dedication to advancing perioperative nursing. We eagerly anticipate welcoming you to the EORNA 2026 Congress – Europe's premier gathering for perioperative professionals – where we will take our field to new heights together.

Experience the wonderful hospitality and scenery of Dubrovnik!

Welcome to the EORNA Congress!

CONGRESS INTRODUCTION

EORNA Mission

At EORNA, our mission is to strengthen and support perioperative nursing across Europe by fostering collaboration, advancing standards of care, and promoting the wellbeing of both patients and professionals. Our mission is to :

- Unite European perioperative nurses through shared values and professional exchange
- Advocate for high standards of perioperative nursing practice and patient safety
- Encourage innovation, education, and professional development
- Represent the voice of perioperative nurses at a European level
- Inspire excellence through knowledge sharing and cross-border collaboration

Our activities

We deliver real impact by offering opportunities for learning, connection, and professional growth across our vibrant community of perioperative nurses. Our main activities are to :

- Organise the biennial EORNA Congress—Europe's leading event for perioperative professionals
- Facilitate educational programs, training, and workshops
- Promote research, publications, and evidence-based practices
- Engage with European stakeholders and nursing organisations
- Support national associations and strengthen the European perioperative network

DESTINATION

Welcome to Dubrovnik

Dubrovnik is a city in the south of the eastern Adriatic coast, the seat of the Dubrovnik and Neretva County, the cultural and administrative center. More than a thousand years of history have made Dubrovnik a European cultural center.

Dubrovnik History

In the beginning, Dubrovnik was just a small community, but soon the town flourished and became the Seat of the independent Dubrovnik Republic. The Republic mastered the art of seafaring and had a fleet, which on the South Adriatic could be compared to Venice on the North. History is present everywhere in this town, which is at the same time a museum and a lively stage displaying a mixture of cultural heritage and contemporary life. Every building and every monument has a unique value.

The historical city is encompassed by a monumental wall, 1940 meters in length, which is still to this day preserved to its original appearance and is open to visitors and is the main attraction of Dubrovnik. Since 1979 Dubrovnik has been placed on the UNESCO register as a protected World Heritage Site.

Dubrovnik's Franciscan Monastery of the Friars Minor harbors the Friars Minor Pharmacy, the world's third oldest and the only one in continuous existence to provide pharmaceutical services since its inception in 1317. Recipes used to prepare some of the balms and ointments are more than two hundred years old.

Getting to Dubrovnik

Dubrovnik Airport is located 22 km from the city, transfer time from the airport to most hotels is 30 minutes.

Updated flight schedule can be found at www.airport-dubrovnik.hr.

Dubrovnik Airport is served by many international airlines and the approximate air distance from European capitals is 1 to 2 hours. The usual connections with major airline companies are direct, for example Frankfurt, Munich, London, Vienna, Rome, Madrid, Prague, Istanbul, Paris and Zagreb.

Croatian ferries link Dubrovnik along the Adriatic with the port of Rijeka. Both Italian and Croatian ferries connect Dubrovnik with Italian ports.

One can also arrive and visit Dubrovnik on a cruise ship with one of the cruise companies that call in Dubrovnik. Dubrovnik is a very well-known port of call, and a home port. For example, in 2015 Dubrovnik was the home port for M/V Thomson Celebration.

If you plan on sightseeing adventures in Dubrovnik, you can get your **one-day, three-day, or seven-day Dubrovnik Pass**. You have the option of purchasing it with cash at physical locations or paying for it online with cards. Scanning the QR code from numerous Dubrovnik Pass posters will direct you to their online shop.

PARTICIPATING IN EORNA 2026

The EORNA Congress is Europe's leading event for perioperative nursing, bringing together frontline professionals and decision makers in one dynamic space.

This is your opportunity to:

- Boost brand visibility across European operating theatres
- Connect with key hospital and Operative Room stakeholders
- Showcase your innovations to an engaged audience
- Build high-quality leads and lasting relationships

Why should you sponsor EORNA 2026?

Because your competitors will be.

EORNA 2026 offers exclusive access to a highly engaged, niche audience that's difficult to reach through other channels. This is your chance to be seen, heard, and remembered.

- Showcase your latest products and solutions to hands-on users
- Strengthen brand loyalty among a trusted, influential community
- Align with EORNA's mission to advance patient safety and care quality
- Join an event where business meets purpose and visibility meets value

EORNA Corporate Partners confirmed in 2026 receive additional exclusive benefits :

1. One complimentary full registration to the congress
2. One ticket for a representative to attend the EORNA Congress Dinner
3. Priority to sponsor the Hands-On Workshops

PARTICIPATING IN EORNA 2026

Who Will You Reach?

EORNA 2026 brings together a uniquely targeted and influential audience of perioperative professionals from across Europe and beyond. These are the decision-makers, clinical leaders, educators, and frontline practitioners who shape the future of surgical care in their institutions. By sponsoring EORNA 2026, you gain direct access to this highly engaged community, those who not only use your products but influence purchasing decisions, guide policy, and lead innovation in operating theatres every day.

Why This Matters For You:

This is not a general medical conference. It's a focused, high-value audience of perioperative professionals actively seeking solutions to improve patient outcomes, surgical safety, and workplace efficiency.

Sponsoring EORNA 2026 puts your brand exactly where it matters most.

Audience Snapshot

- Attendees expected from 40+ countries
- 80% are practicing perioperative nurses, scrub nurses, and nurse managers
- 70% report involvement in product selection or purchasing decisions
- 20% are nurse educators, researchers, or policy advisors
- Strong presence from hospitals, clinics, and educational institutions across Europe
- Delegates represent both public and private healthcare sectors

Job Titles Include:

- Perioperative Nurse
- Operating Room Manager
- Clinical Educator
- Theatre Nurse Specialist
- Infection Control Coordinator
- Procurement Consultant
- Nurse Researcher

ENGAGEMENT OPPORTUNITIES BEYOND BOOTHS

Sponsoring EORNA 2026 means more than having a stand - it's about being part of the delegate journey from start to finish. Choose from high-impact options that increase your visibility, create value, and deepen engagement.

Lead the Conversation

Sponsored Symposia / Product Theatres
Present your latest innovation or research to a focused audience of perioperative professionals.

Hands-on Workshops

Let delegates explore your solutions in action. Ideal for hands-on products or training tools.

Boost Brand Visibility

Lanyards, Badges or Bags

Your brand in the hands of every attendee. High daily visibility.

Congress App / Wi-Fi

Be front-of-mind every time delegates check the schedule or log on.

Eco-Friendly Giveaways

Align your brand with sustainability through practical, reusable items.

Be Where Connections Happen

Welcome Reception Sponsor
Maximise exposure at the most anticipated networking event of the congress.

Coffee Breaks / Delegate Lounge

Brand the spaces where connections happen. Includes signage and optional product placement.

Lunch Sessions

Host a branded lunch to engage delegates in a relaxed, focused setting.

Let's Create Your Impact

Every opportunity is flexible and tailored to your objectives. Whether you want to educate, inspire, or connect—we'll help you find the right fit.

HOW TO BOOK

Booking and Registration

All sponsors/exhibitors interested in any of the above must register via the [online application form](#). The application form constitutes a binding agreement. The acceptance of registrations is subject to the availability of the requested service. The congress organization reserves the right to reject applications without further explanation.

Applications will be considered in the order in which they are received, with the corporate sponsors having priority in the allocation of exhibition space and the selection of sponsorship opportunities. No services will be reserved without a completed application form.

Confirmation and Invoicing

The total amount must be paid upon receipt of the official invoice and in accordance with the conditions stated on the invoice. Full payment of all invoices must be made before the start of the congress in order to guarantee admission to the event.

The organisers will confirm the booking and issue an invoice after your order has been placed
